

<b>Event Name</b>	SPS Smart Production Solutions Atlanta
<b>Event Date</b>	September 14 – 16, 2027
<b>Venue</b>	Hall C Georgia World Congress Center (GWCC) Atlanta, Georgia USA
<b>Exhibition Space</b>	7,000 sqm / 75,000 net sq. ft. (expected)
<b>Exhibitor</b>	200 estimated
<b>Visitor</b>	3,000 estimated
<b>Theme</b>	Where Automation Connects
<b>Product Groups</b>	<p><b>Drive Systems and Components:</b> standard, small &amp; dedicated motors, drive systems, motion control, and components</p> <p><b>Sensor Technology:</b> binary sensors, rotary transducers, identification sensors &amp; systems, industrial image processing, measuring sensors &amp; systems, measuring transducers, measuring instruments for electric signals</p> <p><b>Control Technology:</b> compact control systems PLCs, modular controls, logic modules, computerized numerical controls CNC, soft PLCs, safety PLCs</p> <p><b>Factory Power - Grids and Supplies:</b> power supplies, monitoring &amp; protection equipment, safety devices &amp; systems, power quality</p> <p><b>Interface Technology:</b> signal converters, interface modules, interface technology</p> <p><b>Low Voltage-Switching Devices:</b> contactors, motor protection devices, circuit breakers</p> <p><b>Mechanical Infrastructure:</b> control cabinets &amp; systems, industrial housing systems, cables &amp; fiber optic systems, rotary joints</p> <p><b>IPCs:</b> box-PCs, hat-rack-PCs, Panel-PCs, Rack-PC's</p> <p><b>Software &amp; IT in Manufacturing:</b> planning &amp; engineering software, production/manufacturing software, maintenance software, cross-sectional technology</p> <p><b>Human-Machine-Interface Devices:</b> operator panels, displays, monitors, screens &amp; data goggles, keyboards, control panels, HMI systems, HMIs for hazardous areas, control &amp; signal devices</p> <p><b>Industrial Communication:</b> industrial ethernet, field bus systems, safety field bus systems, wireless communication, telecontrol technology, industrial security, sensor/actuator communication, industrial communication for hazardous areas, M2M communications</p> <p><b>Training &amp; Consulting:</b> teaching/trainings aid, professional literature/publishers, company-independent training, company-specific training</p> <p><b>Functional Groups:</b> bodies &amp; associations, project plant engineering, set-up, operation, smart service (product and system related) service delivery</p>

---

<b>Application Areas</b>	Electric Control and Sensor Technology / Electric Drive Systems and Components Engineering Services / Plant Engineering / Electrical Measurement and Controls Process Machinery / Machine Tools / Automotive Production / Industrial IT and Networks / Energy, Water Supply and Wastewater Treatment / Packaging Machinery / Assembly Technologies, Handling
<b>Participation Fee</b>	<u>Raw Space</u> (minimum 100 sq. ft.): <b>Standard Rate: \$40 / sq ft</b> <b>SPS/AMT Rate: \$38 / sq ft:</b> Special rate offered to companies that have exhibited in a previous "SPS" branded event in the last two years or are current members of AMT (The Association for Manufacturing Technology)  Mandatory Basic Media Plan - \$550 (upgrades available during the booth application process)
<b>Admission</b>	For trade visitors only Persons under 16 will need to be accompanied by parent/guardian with signed waiver
<b>Organizer</b>	Messe Frankfurt Inc.
<b>Partner</b>	The Association for American Manufacturing Technology (AMT)
<b>Contact</b>	<b>Messe Frankfurt USA</b> Tel: +1 770 984 8016 Direct: +1 678 369 2834 Fax: +1 770 984 8023 Email: <a href="mailto:spsatlantasales@usa.messefrankfurt.com">spsatlantasales@usa.messefrankfurt.com</a> Website: <a href="http://www.spsamericas.com">www.spsamericas.com</a>
