Bringing Automation Solutions to the Southeast

www.spsamericas.com

A THRIVING ECONOMY: THE SOUTHEAST

The Southeast is a growing hub for industrial manufacturing automation, fueled by diverse industries, economic growth, and a rising tech ecosystem focused on IoT and Industry 4.0 innovations.

U.S. MANUFACTURING HUB

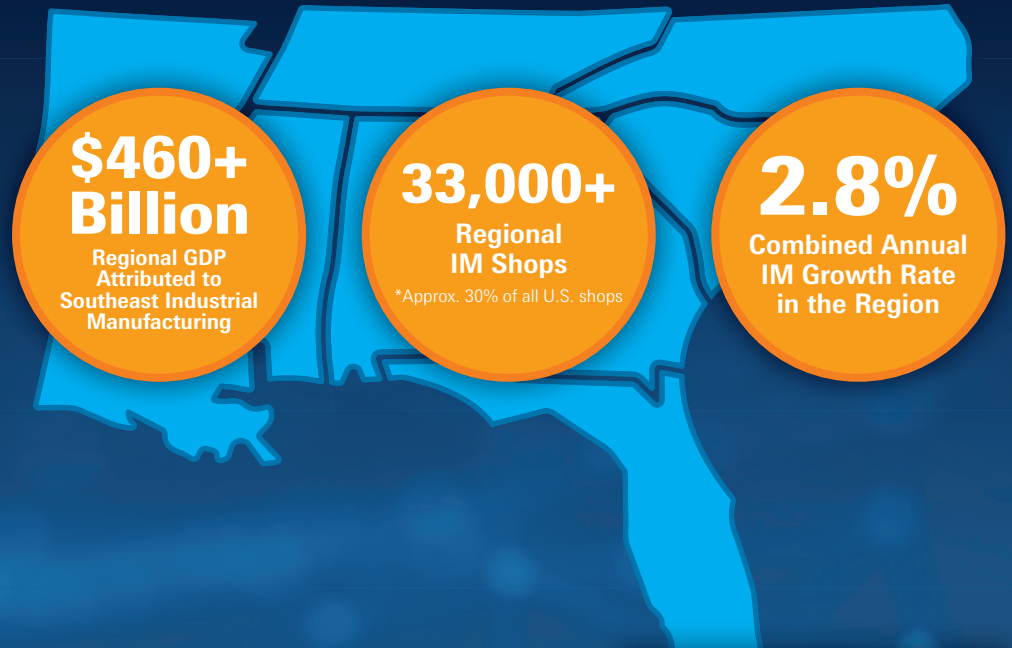

Home to diverse industries like automotive, aerospace, electronics, textiles, and food processing

ECONOMIC GROWTH

Driven by strong manufacturing and logistics expansion

GROWING TECH ECOSYSTEM

The region is experiencing a rise in tech startups and innovation hubs

MANUFACTURING AND AUTOMATION CAPITAL OF THE SOUTHEAST

Georgia leads the Southeast in industrial manufacturing, driven by its strong sectors, strategic investments, and a rapidly expanding tech ecosystem focused on automation and smart manufacturing.

MANUFACTURERS IN GEORGIA

Kia Georgia
SK Battery America
Toyo Tire
Raytheon Technologies
Pratt & Whitney
Kellogg's
Boehringer

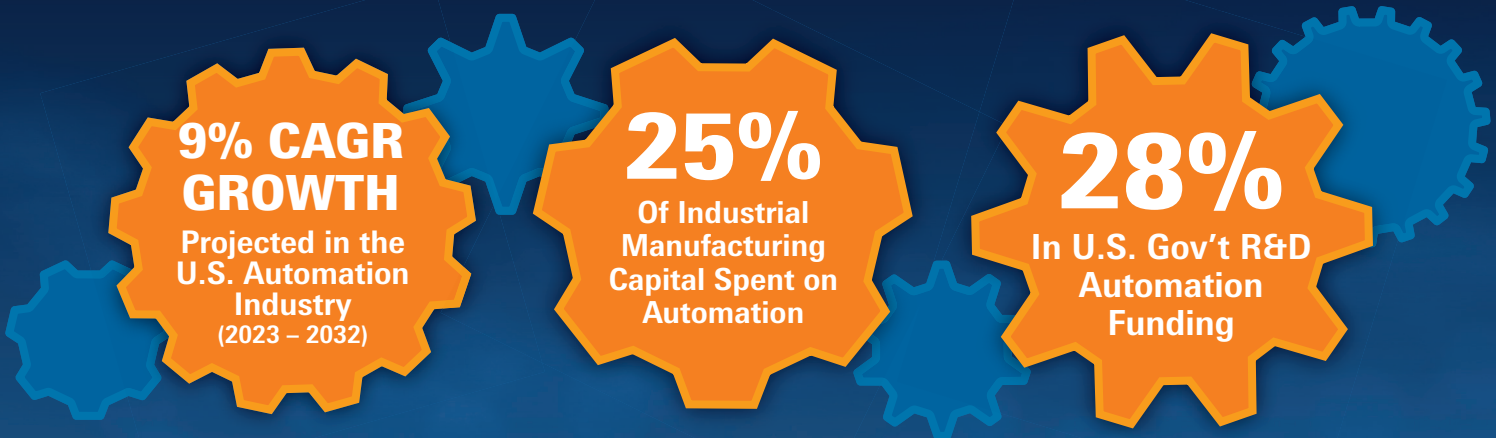

COMPANIES WITH HEADQUARTERS IN GEORGIA

Coca-Cola
Blue Bird Corporation
Delta Air Lines
Georgia-Pacific
Gulfstream Aerospace
Interface
Mohawk Industries
Newell Brands
Shaw Industries Group

ABOUT SPS

ADVANCING AUTOMATION

SPS Atlanta provides a platform for U.S. Manufacturers to showcase their newest advancements in automation solutions that enhance local production efficiency and flexibility, thereby reducing reliance on foreign suppliers.

PRODUCT CATEGORIES

- ▶ Drive systems and components
- ▶ Sensor technology
- ▶ Factory power-grids and supplies
- ▶ Low voltage-switching devices
- ▶ Interface and interface technology
- ▶ Mechanical infrastructure
- ▶ Software & IT in manufacturing
- ▶ Human-machine-interface devices
- ▶ Industrial communication
- ▶ Training and consulting
- ▶ Control technology
- ▶ IPCs

APPLICATION AREAS

- ▶ Electric control and sensor technology
- ▶ Electric drive systems and components
- ▶ Engineering, services
- ▶ Plant engineering
- ▶ Industrial IT and networks
- ▶ Energy, water supply and waste-water treatment
- ▶ Packaging machinery
- ▶ Assembly technologies, handling
- ▶ Electrical measurement and controls
- ▶ Process machinery, plants
- ▶ Machine tools
- ▶ Automotive production

SPOTLIGHT ON THE SPS BRAND

SPS Smart Production Solutions leads the global automation industry, showcasing cutting-edge technologies for smart and digital production through events in Germany, Italy, China, and the USA. As a premier platform for innovation, SPS unites industry leaders to explore the full range of automation solutions, from sensors to IoT and Industry 4.0.

FEATURED EXHIBITORS AT SPS NUREMBERG

- | | | |
|---------------------|---------------------|----------------------|
| ABB | Pepperl+Fuchs | Siemens |
| Beckhoff Automation | Phoenix Contact | Weidmüller Interface |
| Beijer Electronics | Pilz | Wenglor Sensoric |
| Bosch Rexroth | PROFIBUS | Wöhner |
| Eaton | ReeR | Yaskawa |
| FANUC | Rittal | |
| Festo | Rockwell Automation | |
| HIWIN GmbH | Schneider Electric | |
| Nodka | SEW-EURODRIVE | |
| OPC Foundation | SICK | |
