CALL FOR SPEAKERS

The 2025 edition of SPS, Smart Production Solutions, is now accepting proposals for the education series on the show floor at SPS, September 16-18, 2025 at the Georgia World Congress Center in Atlanta, GA.

Speakers at SPS must be subject-matter experts in the Smart Production Solutions & Automation industries. We are looking for Speakers to present in either of our Show Floor Theatres:

Theater 1: Expert Exchange

Where automation integrators gain expert insights on cutting-edge technologies, best practices, and real-world solutions to optimize smart manufacturing and intelligent manufacturing. We are looking for presenters to share their customer journeys from beginning to end.

Theater 2: Fundamentals of Automation

Explore the fundamentals of industrial automation, where manufacturers gain practical insights, expert guidance, and real-world strategies for seamlessly integrating automation into their production processes. We are looking for presenters to speak about topics centered around standards, safety, and communication.

Selection of speakers will be based on experience and proposals of 300-500 words.

All proposals must include: the name, company or other affiliation, phone number, e-mail address and mailing address of the speaker and/or the person to whom correspondence about the proposal should be directed. Please also include which theatre you're interested in speaking at. Selected speakers will receive complimentary registration to the exhibition. All costs associated with your participation will be at your expense (travel, housing and food).

All presentations and/or demonstrations should be planned to run approximately 30 minutes, plus 10-15 minutes for questions.

Deadline for submission is **Friday, July 18, 2025** via email to the following:
